

Compromise Bill Stalled In Senate

Ford's Phone Call Futile

By WILLIAM E. CLAYTON
WASHINGTON (UPI) — It raced through the House, but a compromise extension of oil price controls bogged down in the Senate — and even a phone call to President Ford proved futile.

The Senate quit for the weekend at 8:40 p.m. Thursday, with no agreement on the compromise.

Minutes earlier, assistant Senate Republican leader Robert Griffin of Michigan announced he had reached Ford during a political swing through New Hampshire and told him of the Democrats' latest offer.

That was for oil price controls to be extended, but on condition the President not send Congress a decontrol plan until November.

Griffin said Ford agreed that if the Senate would pass the House's extension Ford would not send a decontrol plan until Oct. 20.

If the Senate could buy that, Griffin said, "I think a great sigh of relief would go up all across the country."

No deal, the Democrats replied. "The President ... has not moved an inch," Sen. Edmund Muskie, D-Maine, said.

Shortly afterward, the Senate quit for the weekend. Its debate during the long day echoed the same suspicions and accusations that have characterized the energy debate since the Arabs' oil embargo of late 1973.

That embargo led to price controls on oil that held 60 per cent of domestic oil production under a \$5.25-per-barrel ceiling at a time when uncontrolled oil was selling at from \$10 to \$13.

The law ended Aug. 31, and Ford vetoed Tuesday the six-month extension

Congress had passed. His veto held up when a Senate move to override it got a 61-39 vote Wednesday, six shy of the two-thirds margin required.

Thursday, the House Commerce Committee approved a reinstatement of controls, through Oct. 31. The House took that up immediately and passed it without dissent. The extension was longer than Ford had said he would accept, but Republicans felt he could accept that.

Injured, But Okay

Three persons received minor injuries in a two-car accident near the Parker City Limits Thursday night. A late model van truck and a small foreign car were in collision on the Parker Rd. bridge near Sycamore Rd. at about 8 p.m. A Plano General Hospital spokesman said that James Owen, 46, his son Gabe C. Owen, 10, and Daniel J. Kerr, 42, were treated and released shortly after the accident. Details of

the collision were unclear at press time. The highway patrol investigated the accident. Also injured Thursday night in separate incidents were Jason Luttrell, 2, of 2813 18th St. who ran in front of a car in the 2800 block of 18th St. and Michael Lee Payne of 400 Gladewood who was in a one-car accident at Alma and Dallas North Pkwy. Both sustained minor injuries. (Staff photo by Mike Newman).

Robbery Charges Dropped

Witnesses Can't Identify Two Suspects

Armed robbery charges against two Dallas men were dropped Thursday when witnesses failed to make

positive identification. A police spokesman said that Kenneth Charles Lee and Johnny Earl Rose were

freed after they were viewed by persons in the Mr. M food store during an Aug. 19 holdup.

The two men were arrested in Dallas Tuesday on warrants issued by Justice of the Peace Jack Cope of McKinney on Sept. 2.

Police say they have no other suspects in the case.

In other activity, officers are investigating 13 hubcap thefts, three bicycle thefts, the theft of a plant, the theft of a motorcycle helmet and the burglary of a motor vehicle, all of which were reported Wednesday.

Officers arrested eight persons including three for

illegal entry, two for shoplifting, one juvenile for indecency with a child, one on Collin County warrants, and one for disorderly conduct.

Police also answered 67 calls for assistance, recovered one bicycle, took one report of criminal mischief and investigated four accidents.

Seven-year-old Marcy Kay Ward of 2521 Flagstone sustained minor injuries when her bicycle was in collision with a 1972 Chevrolet driven by Janet Hein Ray of 2716 Russwood at 5:18 p.m. on Round Rock Tr. about 150 feet north of Flagstone Dr. The child was entering the street from an alley when the accident occurred. She was taken to Plano General Hospital by fire department ambulance.

Minutes earlier a 1973 Ford driven by Loucia

Sipriano of 2817 Ridgeway was in collision with a 1973 Chevrolet driven by Kay Phillips Carrel of Rt. 2, Box 124-3 at the intersection of Jupiter and Dallas North Pkwy. No injuries were reported.

At 5:25 p.m. a 1974 Pontiac driven by Cathy Hardy Gilpatrick of 714 E. 18th was in collision with a 1970 Ford driven by Kelly Lee Stark of Pauls Valley, Okla., on W. 18th at the entrance to Dallas North Shopping Center.

A four-car collision was reported at 7:40 a.m. at the intersection of 14th and K Avenue. Cars involved were a 1973 Dodge driven by Elizabeth Darlene Hickman of Wylie, a 1962 Ford driven by Kerry Wayne Whitaker of 3313 Crestforest, a 1969 Ford driven by Stanley L. Dotson of 122 Fairwood and a 1970 Pontiac driven by Darlene P. Donovan of Garland.

Briefs

Campaign Begins

WIMBERLY, Tex. (UPI) — The State Junior Bar Association will begin campaigning Saturday for passage of the proposed new Texas Constitution which goes to the voters Nov. 4.

Former Supreme Court Chief Justice Robert W. Calvert and Rep. Ronnie Earle, D-Austin, leaders in the Citizens for the Texas Constitution organization, will speak to the 35-member board.

Concorde Sought

LONDON (UPI) — Fort Worth Mayor Cliff Overcash and representatives of Texas business have begun talks with British Airways in the hope it will provide Concorde supersonic airline service to Dallas-Fort Worth airport.

Overcash says if the British owned airline begins servicing Dallas-Fort Worth, an averaged of 40 Texas businessmen will take advantage of the international flights daily. The Concorde has been banned by a number of eastern cities.

Fall Kills Man

HOUSTON (UPI) — Investigators say a man fell about 30 floors Thursday to his death from the interior balcony of the Hyatt-Regency Hotel.

The victim was identified as Vance Joseph Driscoll, 48, of Houston. Homicide detective J.W. Clappitt said apparently no one witnessed the fall.

Hayakawa To Run

SAN FRANCISCO (UPI) — S.I. Hayakawa, 69, president of San Francisco State University during several years of student uprisings, is seeking the Republican nomination for the Senate seat held by Democrat John Tunney.

Hayakawa, a noted semantacist, said Thursday that he was just making his "initial plunge into campaign activity" and a formal announcement would be made later.

The retired university president wanted to challenge Democratic Sen. Alan Cranston last year but was unable to do so because he switched his party affiliation from Democrat to Republican too late to qualify for the GOP ballot.

Udall Blasts Kleppe

SIoux FALLS, S.D. (UPI) — Former Interior Secretary Stewart Udall had some harsh words Thursday for Thomas Kleppe, President Ford's appointee to fill the vacant Interior post.

Udall said he doesn't think Kleppe "has the kind of record that commends himself to the country — as a congressman he certainly was rather mediocre."

Udall stopped in Sioux Falls on his way to Brookings, S.D., for a lecture series.

Kleppe will have a rough ride getting confirmed, Udall said, principally because no one knows what his stand is on environmental issues.

In Boston, Louisville

Busing Costs Millions

United Press International
Police and school budgets in Boston and Louisville, Ky., are being hit hard by the costs of court-ordered busing — and some officials don't like it.

"If federal officials want to perform a social experiment in Jefferson County, they should have to pay for it," said county Judge Todd Hollenbach, who estimates the busing order would cost his area an extra \$3.25 million a year.

Louisville Mayor Harvey Sloane said this week extra busing and protest-related expenses since Sept. 3 were \$381,500, including \$316,000 in police overtime.

There was no estimate on the cost of calling out 950 Kentucky National Guardsmen to put down violent protests by 10,000 persons last weekend. But a 10-day stint by the Guard after a 1974 tornado cost \$250,000.

Kentucky Gov. Julian Carroll said he will file a claim against the federal government for the cost of the guardsmen and state

troopers.

Carroll said guardsmen were "not called on a matter of community safety but as a result of enforcement of the federal court order."

A Pentagon spokesman said Wednesday, however, the only way the Kentucky National Guard could be paid from federal funds is if it were federalized or called up by the President.

In Boston, Massachusetts Department of Public Safety official John Rendon said the massive show of force amounts to \$57,000 daily for state police, \$75,000 for Boston police, \$37,000 for the National Guard and \$33,000 for Metropolitan District Commission police officers.

A bill passed the Massachusetts Senate last week to provide about \$2 million to cover the expanded police budget. However, it is stymied in the House Ways and Means Committee by chairman John Finnegan, D-Boston.

Finnegan, strongly antibusing, has indicated he doesn't want to give even

symbolic support to busing by underwriting the cost of police protection.

About 26,000 students are scheduled for busing in Boston, and 26,600 in Louisville.

Similar Names Cause Problem

The name's the same, but the people are different. The Charles Messer who was recently indicted by the Collin County Grand Jury for delivery of marijuana isn't Charles Messer of Plano. He's Charles Messer of Farmersville.

The Plano Charles Messer is a mid-term graduate of Plano High School, is the 18-year-old son of Mrs. W.C. Young 1516 Meandering Way and has never been arrested.

According to Mrs. Young, when the Grand Jury indictments were released, her son began receiving several telephone calls from friends and relatives, and they haven't stopped yet.

"He's just really embarrassed about the whole thing," she commented. "We never thought there'd be another Charles Messer in Collin County."

However, Mrs. Young went on to say that the police and county law enforcement officers are now aware of the two Charles Messers—and the wrong one won't be put on trial.

Training Session

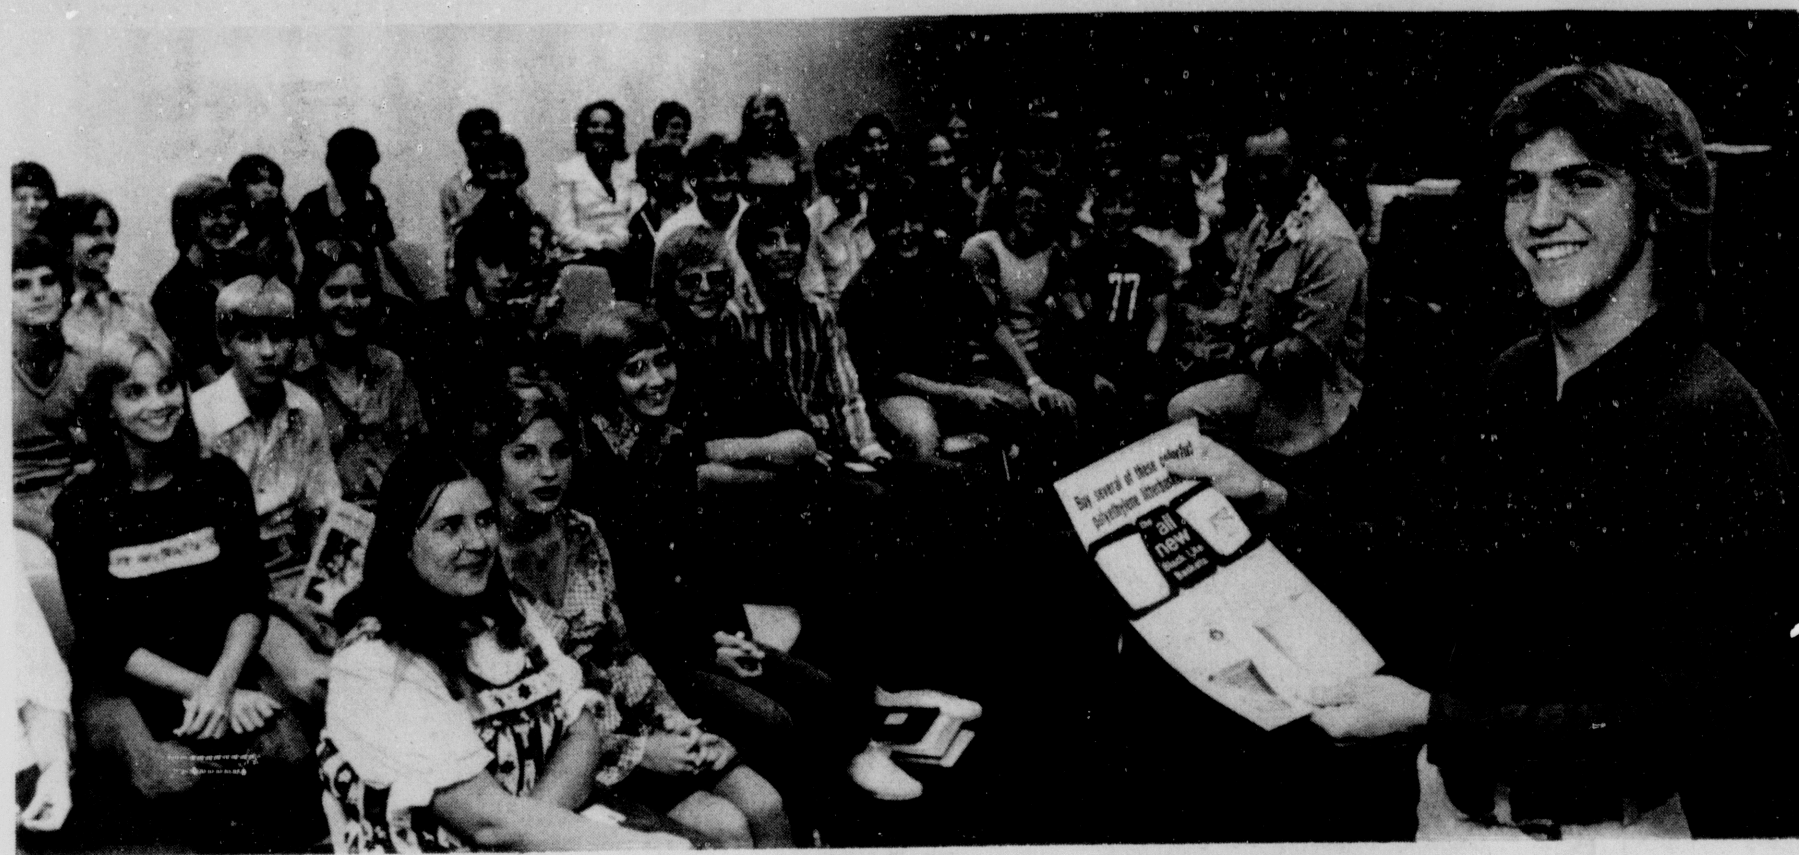

This one was practice, but next time it might be for real. That is the attitude of Plano firefighters during training sessions like the rescue operations conducted in a vacant two-story house Thursday afternoon. Among other operations, a volunteer, David Thomas, was carried across the rooftop, then down two ladders to safety. Shown during the rescue are firefighters Roger Smith, James Shanks, Len Rush, Bill Jones and Thomas. (Staff photos by Mike Newman).

Our Weather

It's going to feel like football weather tonight when the Plano Wildcats host the Richardson Eagles, with temperatures expected to dip into the low 60s tonight.

However, there's a 60-percent chance of rain, according to the National Weather Service, with a 40-percent chance tomorrow. Tomorrow's temperature is expected to stay in the low to mid-70s, with a clearing trend and cool weather seen for Sunday.

Sales Pitch

Plano High School Choirs president Greg Owens tries his sales pitch on choir members as the two choral groups prepare to spend the weekend selling Plano Wildcat trash baskets to raise funds. The money will be used to

sponsor the groups trip to the New Orleans choir festival in the spring. The baskets will have the new Wildcat emblem and sell for \$3. To order, contact Dick Winters at 423-1300. (Staff photo by Mike Newman).

Rockefeller Faces Quiz On 'Probe'

Vice President Nelson Rockefeller visits Texas and talks with Dallas-Fort Worth journalists about many subjects, including his precarious position among Republican conservatives. Rockefeller is the special guest on "News 8 Probe" on Sunday, Sept. 14 at 1 p.m. on WFAA-TV, Channel 8.

What kind of support can Rockefeller expect from Texans? How does he plan to bridge the gap between conservative and liberal party members? The Vice President will discuss these and other questions—on busing, Middle East agreements, and the recent attempt on President Ford's life—with a five-member group.

The panel will include Lee Clark, KERA-TV; Walter Evans, KDFW-TV; Sharon Noble, KXAS-TV; Bob Sirkin, WFAA-TV and Tracy Rowlett, WFAA-TV.

Pastoral Seminar Set

At Baylor Medical Center

Clergymen in Plano, and a wide area of North Central Texas and Oklahoma have been extended invitations to attend the 13th Annual Powhatan W. James Memorial Seminar in Pastoral Care at Baylor University Medical Center in Dallas, being held Sept. 15-16.

Under the direction of B.F. Bennett, Director of Chaplaincy Services Dept., and Joseph E. Gross, Director of Pastoral Care Dept. at Baylor, this year's seminar is entitled: "Counseling, Guidance, Psychotherapy and Pastoral

Care -- What We Can Learn From Each Other."

A feature of this year's program will be group sessions and discussions led by Baylor staff physicians, who will address themselves to their respective specialties.

Those physicians participating include Dr. Donald Paulson, Thoracic Surgery; Dr. Reuben Adams, Obstetrics-Gynecology; Dr. R. Daniel Loyd, Orthopedic Surgery; Dr. James Peden, Psychiatry; Dr. Allen Crenshaw Jr., General Surgery; Dr. Dolores Carruth, Neonatology; Dr. Wallace Bailey, Colon and Rectal Surgery; Dr. Donald Johnson, Urological Surgery; Dr. Zaven Chak-

majian, Internal Medicine (Endocrinology), and Dr. Alfred Persson, Vascular Surgery.

Also heading group sessions will be Dr. A.D. Sears, Radiology; Dr. Dean Kipp, Plastic Surgery, and Dr. Harold Boehning, Anesthesiology. Several top administrators of the Medical Center will also address the gathering, including David Hitt, executive director, and Richard H. Malone and Howard Chase, both associate executive directors.

Reginald B. Trentham, M.D. Peripheral Vascular and General Surgery announces the opening of his office in Dicker Center, 3900 W. 15th Suite 206, Plano, Tx. 75074. Phone answered 24 hours a day, office hours by appointment (214) 424-4506.

Violinist Opens Fall Series Soon

John Sumerlin, a first violinist with the Santa Fe Opera Orchestra and former member of the Dallas Symphony Orchestra, will present a recital Saturday, Sept. 20, at the University of Texas at Dallas. The recital is part of the university's Fall Performing Arts Series.

A native Texan, Sumerlin studied with Raphael Bronstein and received his Bachelor of Music degree at the Manhattan School of Music in New York. A former member of the American Symphony Orchestra in New York, in addition to his participation with the Santa Fe and Dallas orchestras, Sumerlin has been on the music faculties of Dalhousie University in Halifax, Nova Scotia, and the State University of New York at Purchase. He was presented in recital at Roosevelt House in New York by the Young Concert Artists Guild of New York.

The Saturday evening recital will include the Beethoven Sonata, Op. 47, "Kreutzer"; Ysaye's Sonata No. 3, Op. 27, "Ballade"; and Prokofiev's Sonata in F

minor, Op. 80. He will be accompanied by Denton pianist Jean Mainous.

Sumerlin plays a

UTD Schedules John Goddard

John M. Goddard, anthropologist and renowned adventurer, will appear on Thursday, Sept. 18, at The University of Texas at Dallas and speak on "Civilization's Impact on Pre-Literate Societies" at 2 p.m. in Founders North Auditorium.

Goddard's explorations have taken him through some 113 countries and over one million land, sea and air miles, equivalent to 40 times around the world. He first gained international recognition with his expedition down the 4,000-mile Nile River.

The feat of exploring the length of the world's longest river caused Dr. Wendell Phillips, well-known archaeologist and president of the American Foundation for the Study of Man, to state, "This ranks in my professional opinion alongside the epic of Kon Tiki and Mt. Everest expeditions."

At age 14, Goddard made a list of 127 "successes" he intended to reach during his life, including things and

places he wanted to explore, study primitive cultures in, climb, photograph, explore underwater, visit, read, become proficient in the use of, and otherwise learn. His last success is listed as wanting to live to see the 21st century. He will be 75 in the year 2000.

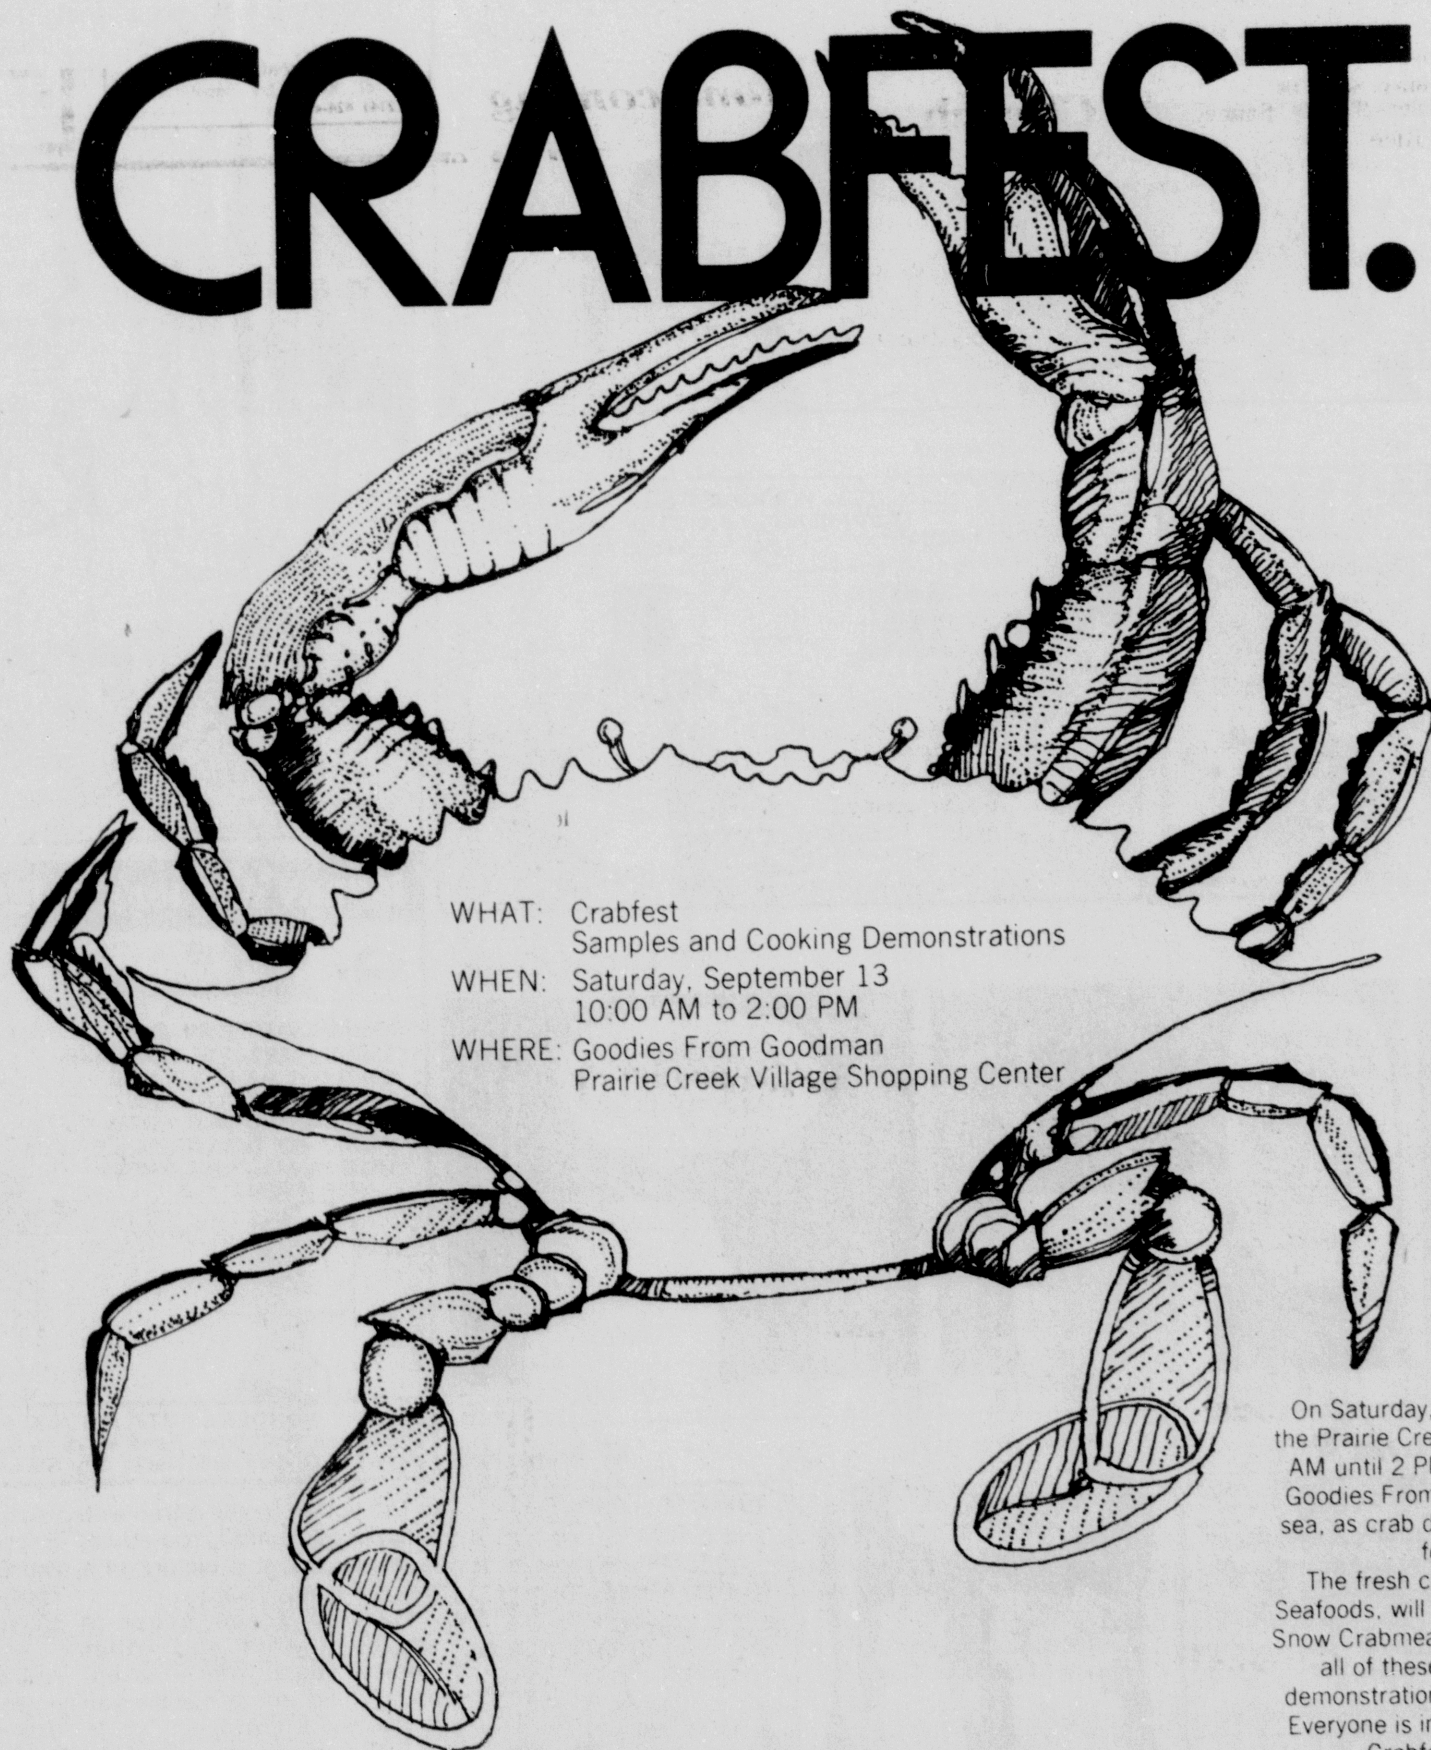

To date, he has accomplished 104 of these objectives, including composing music, climbing Cheop's pyramid, and in 1972 he was credited with being the fastest flying civilian, excluding test pilots, to have flown at a speed of 1500 miles per hour at 63,000 feet.

SNAKEBITES CHICAGO (UPI) — Snakebites very seldom kill. Some 45,000 persons are bitten by snakes each year in the United States, says a report in the Journal of the American Medical Association. In an article reminding physicians of the proper treatment for snakebite, a group from the University of California School of Medicine, Los Angeles, report that of the 45,000 bites, some 8,000 are by venomous snakes. Despite these many bites by poisonous snakes, deaths from snake venom poisoning have not exceeded 12 per year in the past five years. In some 20 per cent of the bites of poisonous snakes, no venom is actually injected.

SMU Vs. Florida Sat.

GAINESVILLE, Fla. (UPI) — The Florida Gators, ranked 15th in the preseason polls, open their season Saturday night against Southern Methodist in a duel of offensive might and defensive uncertainty. It will be the third meeting for the two teams, Florida winning in 1964, 24-8, and SMU in 1972, 21-14, at Tampa. Florida finished 13th in the national rankings last

season with an 8-3 record, and are considered a darkhorse candidate to win the Southeastern Conference. The Mustangs, with a 6-4-1 record in 1974, tied for fourth place with Arkansas in the Southwest Conference. The vaunted Florida offense centers around the returning backfield of senior quarterback Don Gaffney, who runs the Gators' wish-

bone attack, fullback Jimmy DeBose and halfbacks Larry Brinson and Tony Green. Green, a 185-pound sophomore with exceptional open-field speed, set a school rushing record last year of 856 yards. SMU, fresh from a 14-7 victory over Wake Forest last week, also plays out of the wishbone with quarterback Ricky Wesson

calling the signals. Wesson, halfback Wayne Morris and fullback David Bostick ran for big yardage against Wake Forest. Florida will be testing two new linebackers in Jimmy Ray Stephens and Charlie Williams, who will be playing in positions left vacant by Glenn Cameron and Ralph Ortega, both first-round National Football League draft choices.

Wayne Fields, picked on the pre-season All-SEC team, will also be missing from the defensive secondary. He is still recuperating from surgery on his knee last summer. Taking his place will be Vernon Barber. Other question marks for Florida are offensive linemen Gerald Loper, Joe Pupello and Robbie Moore, all of whom will be starting for the first time.

Haggard's Eagle offense couldn't get rolling against Wilson Middle School Wednesday. The Eagles crossed the 50-yard line only once. Shown above, the Eagles quarterback Steve Springfield, 10, prepares for the handoff with Joe Auzonne, 11, backup quarterback and running back. Wilson's defense contained Haggard, however, Haggard's defense made the big plays to stop Wilson scoring threats, making the game end 0-0. (Staff photo by Mike Newman).

Spikers Post 1-1 Mark

Girl's athletics at the new Plano Senior High School are underway with the volleyball program already playing regular season games. The Varsity spikers of Coach Cyndy Kittrell currently past a 1-1 record, having beat Arlington Lamar Sept. 4 in split games 6-15, 15-12 and 15-12. Tuesday, the girls played their second match of the season, losing to Fort Worth Castleberry in the best of three games, 15-4 and 15-5. "We are playing under a new system this season," Coach Kittrell said. "The players are really beginning to catch on." "Our main problem in the Fort Worth game was they had a strong offense and we had a strong offense, but

they had a good defense and our defense just couldn't get going," she added. Standouts for the Plano team in the early going have been Deanna Slankard, Gleanda Henry and Lezie Tuttle. "We'll be ready to play when district begins," —Cyndy Kittrell. Plano will begin defending their District 13-AAAA Volleyball Championship Oct. 7 against Sherman. Other teams competing for the volleyball crown are Paris, Greenville, Lewisville

and Denison. "We'll be ready to play when district begins," Miss Kittrell said. "We haven't had enough time to put anything together. Our predistrict slate is tough and it should help strengthen us and get us ready to play." Plano also has a Junior Varsity team at the Senior High and they currently post a 0-2 record. The JV lost to Lamar 15-5 and 15-8 and also lost to Castleberry 15-12 and 15-0. "The JV is playing ok," Miss Kittrell said. "They'll be ready when district begins. They've just been running out of gas." Plano's next game is against Richardson Pearce

Sept. 15 at the Williams High School gymnasium. Game time is 6 p.m. with the Varsity, JV and Williams Sophomore teams to play. Eighth grade football teams from Plano's Wilson and Haggard middle schools battled to a 0-0 tie Wednesday at Rice Field. The game was the season opener for both squads. Wilson's offense and Haggard's defense offset

The Mustangs emerged from the Wake Forest encounter with only minor bumps and bruises. Split end Kenny Harrison, who was injured before the Wake Forest game, is the only SMU player not expected to see action. A crowd of 45,000 is expected at Florida Field.

Eighth Grade Teams

Wilson - Haggard Tie 0-0

each other to produce the scoreless tie. Wilson's Rams drove inside Haggard's 20-yard line three times but couldn't manage a score against the Haggard Eagle's big play defense. "We moved the ball consistently, but we just couldn't score inside the 10-yard line," Coaches Frank McClanahan and Tommy Mankins of Wilson said. "We had three opportunities to score but we just made some mistakes that hurt us." Haggard's defensive standout was Mark Dunston with two pass interceptions. Dunston intercepted a Wilson pass in the end zone prevent a Wilson score from the three-yard line. "Our defense made the big plays," Coaches Bill Rushing and Tommy Carroll of Haggard said. "We stopped Wilson twice inside our 15-yard line, once on downs and another time on a pass interception." "Our defense was just outstanding," the coaches continued, "but our offense is going to need some improvement."

Wilson's defense allowed Haggard to cross the 50-yard line only once. Highlighting the Rams' defensive effort was Scott Dow and Kevin Deal, trapping Haggard's punter for a 15-yard loss in the second quarter. The meeting is the first of the current school year for the one-year old organization. Duane Nutt, former Austin College coach, is sponsoring the breakfast and the program will feature a report on Plano Independent School District athletes that attended FCA summer conference camps. The adult chapter helped to send several Plano athletes to the camps.

Other defensive standouts for Wilson were Steve Shankle, Scott Klopach, and Chuck Best. Offensive Ram standouts were Shankle and Klopach. Haggard's standouts were Greg Wright, Dunston and

Tom Sloan on defense. Wilson's next game is Sept. 17 against Richardson Liberty, while Haggard plays Richardson Northwood. Both games are away.

Reservoir Manager's Report

Few Dove at Lake Lavon

BY CHARLES SCREETON Reservoir Manager. There have been many inquiries from hunters regarding dove hunting possibilities around Lake Lavon since the beginning of dove season. The Rangers have reported that dove hunting has been very poor and that doves are scarce. For those who are interested in placing duck blinds, the Crops will not be issuing permanent duck blind permits because of the anticipated fluctuation of the

water which will begin to raise the lake to its new pool level this fall. Temporary floating blinds to be used on a daily basis and removed at the end of each day will be allowed and a permit will not be necessary for this type of blind. Fishing has been reported from fair to good in the upper reaches of Lake Lavon adjacent to the old Stone's Camp and in the area south of Deep Water Point with particular emphasis on catfish. To keep from getting

skunked, anglers can always motor up to the discharge structure at the Garland Electric Power Plant and manage to pick up a few sand bass feeding in the discharge water. Lakeland Park is nearing completion and it is anticipated this park will be opened for full public use within the next two weeks. Plans have been drawn and a contract has been let to begin paving the fishermen's access road and paving the

parking lot, as well as building two vault toilets below the dam to serve fishermen who fish to the tailwater downstream of the structure. This will replace the temporary gravel access and sanicans that are presently being used. During this construction period, the access road below the dam will be closed. The new Lavon Lake brochures will soon be going to press and should be arriving at reservoir manager's office in the near future.

There have been many inquiries by the public as to whether or not private boat houses and docks will be allowed on Lake Lavon. Because of the many problems created by boat houses deteriorating on the lake, sinking in the lake, and breaking loose during high winds, as well as interfering with the free use of all the using public, the Corps of Engineers has established a policy that no private boat house or dock permits will be permitted on any of its lakes in the future, this of course includes Lake Lavon. Collin Park is still the only facility which has full camper service such as trailer electrical and water hookups, and a trailer dump station. It is still anticipated that deliberate impoundment will begin on Dec. 1, 1975. As soon as the growing season begins to decline, firelanes will be mowed, particularly those adjacent to high development areas, anticipated to be around the middle of October.
